

Beam is working in collaboration with Bradford Council to develop and deliver Arts of Place - a creative programme of temporary commissions, events and learning - designed to raise the cultural profile of Bradford's key regeneration project City Park.

You are invited to attend this special showcase event where you will have the opportunity to gain information about:

- The Arts of Place: City Park, Bradford - meet the artists and view their portfolios
- Progress on the City Park Development
- Permanent Public Art Commission programme - meet the artists and view current proposals
- Arts Market - Key projects from Bradford based creative organisations

Launch

We do hope you will be able to join us.
